NUGGET FOR THE WEEK

If the Bible is stepping on your toes, its because your feet are in the wrong place.

David Elan Campbell.

FROM THE RABBI

GOD IS TERRIBLE

To say that God is terrible is to make an astounding statement in the day and age in which we live. This is true because our culture has twisted and perverted the notion of what it is to be terrible that folks always think of terrible as being bad. From another angle, God is terrible equally means He is good. When the scripture describes God as terrible, it does not mean that God is bad. It means God is one who is fearful, it means that God is one who is fit to be feared. I do pray that God will grant you this grace of fear. My desire is that this grace of fear will soften your heart, and will make you stand in awe of both the mercy and the judgment of God.
