NUGGET FOR THE WEEK

Vision without integrity is not vision— it's manipulation

Anonymous

FROM THE RABBI

REAL MEN: DISTINGUISHED BY INTEGRITY

Do we have men of integrity today? Integrity is the state or quality of being ethically sound and morally well adjusted. Job was a man of integrity and God publicly confirmed it. Men of integrity forbid shortcuts. Test of faith and integrity don't usually have that kind of immediate happy ending. Job was the most honest, righteous man of his time, yet God allowed satan to tempt him. Isaiah believed God, yet he did not compromise his faith. Stephen was a superb deacon and preacher of the gospel, yet he was stoned to death. Paul trusted God, yet he was imprisoned and eventually beheaded. From human stand point, there is no simple way to measure the power of a life and ministry that is based on integrity and virtue. Men of integrity glorify God in all things they do and they fear the Lord. I challenge everybody to do what is right and allow Holy Spirit to fill your heart.
